

## **Your Input Matters!**

Alamo Township has begun a master plan update and community input is an integral part of the planning process. The Township will be holding a **Master Plan Open House** on **Wednesday, May 22nd from 11:00 am to 1:00 pm and again from 4:30 pm to 6:30 pm** to review the draft future land use map and potential goals for the plan. Julie Johnston, Planning Consultant, will be there to hear your comments. Please stop by anytime during these timeframes. This is a drop-in event, requiring a small amount of your time to give needed input on the draft Master Plan.
